Our corporate giving focuses on fostering a high quality of life in the communities we serve.

CenterPoint Energy recognizes that our success – and the success of our neighbors -- is inextricably linked to the vibrancy of our communities. We seek to improve the communities we serve by supporting programs that encourage community connections, improve quality of life and promote inclusion to help communities thrive. We recognize that an educated and engaged community is critical to the future of our business and our communities. We are committed to ensuring all students have the opportunities and tools they need to succeed academically, explore potential careers and be equipped to enter the workforce.

Key Facts to Understand Before You Apply

The Foundation awards grants annually to eligible organizations in Arkansas, Indiana, Louisiana, Minnesota, Mississippi, Ohio, Oklahoma and Texas, where our company has a business presence. A list of counties CenterPoint Energy serves is located in Appendix A attached to this document.

We will review proposals from eligible organizations where our company has a business presence during the grant cycles below. We encourage organizations to submit requests during the cycle that works best for their budget as **funds are available in each cycle**. Applications must be submitted by the deadline to be considered for funding.

2021 grant cycles:

- **Cycle 1:** January 4th- February 15th (cycle closes at 5:00 p.m. CST)
- **Cycle 2:** April 19th- May 31st (cycle closes at 5:00 p.m. CST)
- **Cycle 3:** August 2nd- Sept 13th (cycle closes at 5:00 p.m. CST)

Submitting Grant Applications

All grants must be submitted via our online grants application system
https://www.cybergifts.com/centerpoint/CNPGives_EligibilityQuiz.

Due to the volume of grant applications we receive, each application is evaluated on a competitive basis as we strive to fund programs with strong impact and measurable outcomes within our funding priorities. While CenterPoint Energy values our business relationships and takes tremendous pride in serving our

communities, the Internal Revenue Service stipulates that the Foundation may not consider business relationships when making grant-award decisions in order to avoid self-dealing practices.

Any changes to the application process will be posted on www.centerpointenergy.com/CNPGives.

Frequently Asked Questions

Please review the questions below for more information before starting an application.

1. Q: Are there deadlines for applying?

A: Yes. The deadlines for 2021 are below:

- **Cycle 1:** January 4th- February 15th (cycle closes at 5:00pm CST)
- **Cycle 2:** April 19th- May 31st (cycle closes at 5:00pm CST)
- **Cycle 3:** August 2nd- Sept 13th (cycle closes at 5:00pm CST)

Please see www.centerpointenergy.com/CNPGives or contact the Foundation at CNPGives@centerpointenergy.com for additional questions.

2. Q: Does my organization have to be located in an area served by CenterPoint Energy to receive a grant?

A: Foundation Grants are limited to organizations that have their primary address located in a community CenterPoint Energy serves. Consideration may be given to organizations who serve communities within CenterPoint Energy territory, but are located outside of it. Please email cnpgives@centerpointenergy.com if this applies to your organization. A list of counties CenterPoint Energy serves is located in Appendix A attached to this document.

3. Q: Are nonprofits required to have a 501(c)(3) designation to apply?

A: Nonprofits applying for a Foundation grant must be tax exempt under Section 501(c)(3) and recognized as a public charity under Code Section 509(a) and in good standing. (If an organization is exempt under Section 509(a)(3), it must be Type I or Type II.)

4. Q: My organization is a current grantee. Are we eligible to apply for additional funding?

A: If your organization has been awarded a grant or received a grant payment within the last 12 months, additional requests for funding will not be considered until after the grant period has ended and a final report has been submitted.

5. Q: Can I apply for both a grant and a sponsorship or multiple grants within the same calendar year or time period?

A: Yes, however, please note that due to the volume of requests received, we will take into consideration all commitments made per organization into our overall decision.

6. Q: Does the Foundation provide funding to daycare or childcare centers to subsidize the cost of tuition, fees, or other childcare related costs?

A: Unfortunately, families across our footprint are facing rising childcare costs. Due to limited resources and a desire to remain fair and equitable, we are unable to fund tuition assistance programs or other childcare related costs.

7. Q: Do you fund salaries and/or fringe benefits?

A: We consider requests for salaries, fringe benefits, and overhead on a case-by-case basis. Please email us at cnpgives@centerpointenergy.com if you have further clarifying questions.

8. Q: What is the difference between a Foundation grant and an event sponsorship?

A: Foundation grants are provided to IRS designated 501 (c)(3) non-profit organizations. Grants are charitable donations used to fund general operating costs, program costs, and initiatives that are large in scope and impact, and other programmatic activities undertaken by nonprofit organizations.

Sponsorships are monetary contributions given in support of events or activities in exchange for advertising and/or publicity. These decisions are made at a regional level.

9. Q: Does CenterPoint Energy or the Foundation sponsor community-based events?

A: CenterPoint Energy prefers to fund nonprofit programs and projects, rather than fundraising events. We have limited funds available for local community events and give preference to events that fit within our focus areas. If you have additional questions about community event sponsorships, please contact CNPGives@centerpointenergy.com at least 90 days before your event.

10. Q: May we submit more than one application at a time?

A: Yes. Priority will be given to the initial application. If a grant is awarded to an organization, existing funding will be considered when evaluating any additional application within the same grant cycle/calendar year.

11. Q: What is the process for applying for a grant?

A: The Foundation grant application is open to nonprofit organizations that are located within our corporate footprint and are seeking to carry out programs related directly to our funding priorities, mission, and vision. All applicants must submit their application via our online grant portal to be considered for funding. Applicants should expect a waiting period of up to 90 days from submission to final decision making.

12. Q: How do I apply?

A: Applications must be submitted online through the CenterPoint Energy website. Proposals are not accepted via email, postal mail, or fax.

13. Q: When does the Foundation board meet?

A: The Foundation board meets quarterly to make decisions on grant applications.

14. Q: What is an appropriate request amount for a Foundation grant?

A: The amount requested from the Foundation should be proportionate to your program goals, funding opportunity budget and expected income from other sources. Funding is ultimately contingent upon the initiative's alignment with the Foundation's priorities and funding availability from the Foundation's annual budget.

15. Q: What e-mail address should be used for the account?

A: When setting up your online account username and password for the application, please ensure the appropriate individual has access to the account. Impact reports and communication regarding grants will be emailed to the submitter and future funding will be contingent on successful completion of all reports.

16. Q: I am locked out of my Cybergrants account, can you please reset my password?

A: We do not have access to any account information including passwords and log in credentials. Please contact Cyber Grants directly at centerpointenergy@cybergrants.com.

17. Q: Can I copy and paste information from a Word document into one of the application's text boxes?

A: Yes. The application consists of text and number fields. You can copy information from an existing Word document and paste into the appropriate text box in the application. You will also be able to upload attachments to the application.

18. Q: I do not have all the required documents in an electronic format. How do I submit them?

A: All documentation is required to be submitted in an electronic format with the application. Please scan the documents to create a PDF of your documents and attach them to your application.

19. Q: What is required of my organization if approved for funding?

A: All grant applications that are approved for funding will require the following:

- Signed Grant Agreement
- Payment will be made electronically via a third-party vendor (bill.com); if you cannot receive an electronic payment, you will have the option to request a paper check from the vendor
- Grant Reporting – an annual impact report will be required to be submitted electronically through your online account and is due within 30 days after the grant period is over.

Note: We have made some enhancements to our online grant applications with greater emphasis on measurable outcomes. These requirements are to be submitted in a timely manner. Overdue requirements can affect scheduled payments as well as future funding.

20. Q: In what form of communication will you notify my organization about our application?

A: Communications during the application process will be made primarily by email. Please add this email address (CNPGives@CenterPointEnergy.com) to your contacts to receive all communications during the application process.

21. Q: What are some additional resources that I should consider if my organization/program may not be a good fit for the CNP Foundation?

A: The following resources may be helpful:

- Foundation Center – Find Funding – www.foundationcenter.org
- Grants Alert – www.grantsalert.com
- Chronicle of Philanthropy – www.philanthropy.com/grants

22. Q: What are tips for a complete application submission

A: Here are a few tips for a complete application submission

- Make sure you review each of the 3 funding priorities and measurable outcomes prior to starting a new application. This will help you to determine which funding priority best fits your project or initiative.
- Please read each question carefully to ensure all points are addressed.

- Make sure you upload your 501c3 exemption document and not your sales tax exemption document.
- If you have computer trouble, try the following steps – clear your cache, shut down your browser and reopen, try a different browser, and try to log in again.
- We suggest creating a group for your account so more than one person has access in case you have someone leave your organization.
