

2021 Business Prescriptive Program Measure Selection Form: Commercial Kitchen

for Indiana Businesses with CenterPoint Energy Electric Service

- Complete this Measure Selection Form to apply for an incentive for the installation of eligible “Commercial Kitchen” measures **installed by December 31, 2021**.
- All technical data sheets for installed equipment must be included with your submission.
- If technical data (EER, Efficiency, etc.) requested in the form is unavailable, please contact your product supplier. Incomplete forms will not be processed.
- All installed measures must be new. No refurbished measures will be accepted.
- All installed equipment must meet program specification requirements. For rebates listed with CEW or ENERGY STAR®, refer to:
 - » California Energy Wise (CEW) https://midwest.centerpointenergy.com/assets/downloads/in-business/in_foodservice_CEW_List.pdf
 - » ENERGY STAR® [EnergyStar.gov/cfs](https://www.energystar.gov/cfs)
- **For new construction or major renovation installations:**
 - » A baseline equipment specification must be provided in lieu of existing equipment information. The baseline equipment must meet any and all applicable building codes as they refer to efficiency levels and should meet ASHRAE 90.1 standards.
 - » Rebates are only available for equipment which exceeds ASHRAE 90.1 standards.

Important

This Measure Selection Form and technical data sheets should be submitted in conjunction with the Program Application. Only complete this form if you:

- **Have completed the Business Prescriptive Program Application** and have ensured your eligibility for rebates; and
- **Are applying for commercial kitchen measures** as part of your participation in CenterPoint Energy’s Business Prescriptive Program.

Applications for rebates in excess of \$20,000 per facility per year must be preapproved by CenterPoint Energy prior to purchasing or installing equipment.
