What You Will Need

- Homebuilder information

HOW TO APPLY FOR A REBATE

Step 1:

Sign up as a Participating Builder

Builder Information

Builders only have to complete the Builder Participation Form one time. The form will remain on file for the entire program year.

You can send this form along with the Part 2 application paperwork for your first home rebate or send it ahead of time and we will be ready and waiting for your first application.

Builders must submit a completed W-9 form prior to requesting rebates.

Step 2:

Build an Energy-Efficient Home

HERS Certification

The HERS rating must have been completed by a RESNET® certified HERS Rater. The Part 2 application must be postmarked within 90 calendar days of HERS certification.

Active Service

The property must be serviced by CenterPoint Energy Delivery of Indiana, Inc. ("CenterPoint Energy") under an active residential account.

Step 3:

Submit Part 2 Paperwork

Double-check Information

When you've finished a project, send us the home info and a copy of the HERS certificate. Qualifying CenterPoint Energy Indiana homes with a HERS Index Score of 63 or lower will receive a rebate.

Submit Application

Submit the completed application and a copy of the HERS certificate within 90 calendar days of certification in one of the following ways:

- Your CenterPoint Energy account number
- Part 1—Builder Participation Form

HOW TO APPLY FOR A REBATE

Step 1: Determine Eligibility

Applicant

The property must be serviced by CenterPoint Energy Delivery of Indiana, Inc. (“CenterPoint Energy”) under an active residential account.

New single-family homes, duplexes, and end-unit townhomes where only one wall is shared are eligible for rebates.

Only one account number can be submitted on an application. For additional account numbers, please complete a separate application.

Participation must occur between January 1, 2021 and December 31, 2021.

By requesting a CenterPoint Energy Residential New Construction Program rebate, participants are not eligible for rebates on qualifying equipment through CenterPoint Energy’s Residential Rebate Program.

HERS certification—The HERS rating must have been completed by a RESNET® certified HERS Rater. The application must be postmarked within 90 calendar days of HERS certification.

Step 2: Complete Application and Attach Certificate

Complete Application

Unless noted otherwise, all fields must be completed on the application to receive a rebate. Incomplete applications will not be processed.

Sign Application

The application must be signed in the space provided on page 2 of the application to receive a rebate.

Attach HERS Certificate

Ensure that you have attached a copy of the HERS certificate to the application.

Step 3: Submit Paperwork

Double-check Information

Make sure the information listed on the application is correct and that you have provided all required information and documentation. If you have not already submitted the Part 1 form, include that with your Part 2 paperwork.

Submit Application

Submit the completed application and a copy of the HERS certificate within 90 calendar days of certification in one of the following ways:

Email:

INrebates@centerpointenergy.com
Please include all invoices as email attachments.

Mail: CenterPoint Energy
Delivery of Indiana, ATTN:
