Annual Face-to-Face Meeting with Local Emergency Responders August 10, 2021

On August 10, 2021, a virtual format face-to-face meeting with local emergency responders was conducted for the Southern Indiana Gas and Electric Company (SIGECO) A.B. Brown Generating Station and F.B. Culley Generating Station to satisfy the requirements under 40 CFR §257.74(a)(3)(e). Due to this year's COVID-19 scenario and the recent rise in cases, the interest of the health and safety of the invited emergency responders and company representatives, and the meeting format preference of the invited emergency responders, a virtual format was utilized. Attendance during the meeting included representatives from SIGECO, AECOM, Posey County Emergency Management, and Warrick County Sheriff's office.
